LE MESSAGE DE NAVIN RAMGOOLAM :
Mauritius Shalom Magazine
 Prime Minister
 Republic of Mauritius

Message

I am pleased to convey my warmest congratulations to the Government and the People of Israël on the occasion of the 30th anniversary of the foundation of the State of Israel.

Mauritius and Israël have historically entertained cordial relations since we attained independence in 1968. Indeed, since the establishment of bilateral relations between our two countries, cooperation in different areas had expanded significantly. Mauritius has benefited from the numerous training opportunities offered by the Government of Israël in various important sectors.

The signature of the Agreement between the Government of the State of Israël and the Government of Mauritius on Technical Cooperation in Agriculture and Allied Sectors is yet another milestone in reinforcing cooperation between our two countries.

May I take this opportunity to wish the Government and the people of Israël continued progress and prosperity.

Dr. The Hon. Navinchandra Ramgoolam
 Prime Minister
